

### **Jay and Yvonne's family**

Jay and Yvonne's sons completed college and have successful jobs. Jay, Jr. graduated from Clemson in Chemical Engineering and currently is a product line manager for the Cryovac Division of Sealed Air Corporation, responsible for their printing activities. He is a registered Professional Engineer, an Eagle Scout and has passed the exam for a contractor's license. He is married to Vicki Rushton Taylor. She has a son, Derek Jason Taylor who has graduated from USC and is in real estate in Charleston, SC. Vicki has a degree in Business and Marketing with honors from USC and works for the Spartanburg Herald newspaper in real estate advertising. Jay and Vicki live in Taylors, a suburb of Greenville, SC.

Ryan graduated from Clemson and earned an MBA from Harvard. His first degree was Mechanical Engineering. He also works at the Cryovac Division of Sealed Air Corporation as V. P. Supply Chain, North America. He is married to Elizabeth (Libby) Beckham who has an English degree from Clemson and earned a Law degree from Catholic University while they were living in Washington, DC. They have two sons, Hunter and Jake. She has worked for GSA in Washington, SC Social Services and the Greenville County Solicitor's office. Ryan, Libby and boys live in Greer, adjacent to Greenville, SC.

Stuart graduated from Clemson with a degree in Financial Management. He started in the wireless telephone field and is working for Cingular in their sales division, at their corporate headquarters. He has been a financial analyst in several other divisions. He lives in Atlanta where he has purchased and restored a couple of homes; one in Grant Park and one in the midtown area of Atlanta. In addition to Atlanta, he has worked in Greenville, SC, and Washington, DC for MCI, now a part of Cingular. He lives in Lake Claire, near Candler Park and Fernbank, just off Ponce de Leon.
